Some states do not allow limitations on how long an implied warranty lasts or do not allow exclusion of incidental or consequential damages, so the following limitations may not apply to you.

Tusa expressly limits any and all dive computer warranties, expressed or implied, to the two year term as set forth above. All remedies are waived unless claim is made within the applicable twenty- four (24) month period.

Your remedies are limited to those contained therein and are in lieu of all other remedies, whether based on breach of warranty or contract, negligence, strict product liability or other tort. TUSA specifically disclaims liability for any consequential, special or indirect damages arising out of the use of your dive computer.
