

TUSA CARE FREE PARTS

FOR LIFE!

Congratulations on purchasing a TUSA regulator!

As a valued TUSA customer, you are eligible to participate in the TUSA CARE Free Parts For Life Program. This program offers complete service confidence under TUSA's Limited Lifetime Warranty.

With close to 1000 authorized dealers throughout the United States, service and support of your TUSA regulator is more convenient than ever before. To locate an authorized dealer nearest you, please visit www.tusa.com

In order to activate the limited lifetime warranty, the enclosed product registration card must be completed and returned to TUSA within 30 days of purchase from an authorized TUSA dealer or visit www.tusa.com to complete registration online.

To qualify for the TUSA CARE Free Parts For Life Program and maintain the Limited Lifetime Warranty you are required to have your regulator serviced every 12 months, regardless of the number of dives, to ensure optimum performance and reliability. Failure to maintain the required service interval will void the Free Parts Program.

Please note: Products purchased through non-authorized or grey market channels are not eligible for this program and voids all manufacturer warranties.
